**Personnel Committee Report**

From Evan:

Hello orchestra,

I am here to give you advanced warning on a new form we aim to have everyone agree to and sign. You may remember that you've already "signed" some forms for us when you signed up online such as an agreement to our code of conduct and a media release form. Don't worry, these forms aren't going away. In fact, they are included in the new one! Now you can sign all the forms in one place. Snazzy, right?

This new form also includes some new things. Two new sections were drafted up to help keep you and the orchestra safe. You can also find links inside to our code of conduct and privacy policy if that interests you.

I do want to thank Vida, and a third party group who both worked really hard to make it simple and readable - even for those like me who are allergic to "legal-ese." We plan to start having everyone available sign our new form at the next rehearsal, but ultimately, we'll digitalize it and have it blasted out all members via our secretary's wonderful emails. If you have any questions or concerns, please reach out to Evan, or any board member. Thanks for helping keep the orchestra safe.

### **Recruitment Committee**

We are open to new ideas for strategizing how to recruit/recruiting events.

### **Social Media & Engagement Committee Report**

The NGSO game awards were a success! We're always interested in hearing feedback, so hit up anyone from SMEC if you have ideas! And stay tuned for next year's event... we'll start planning it in the fall, so look forward to it!

Twitch is going strong, and we made affiliate! We're aiming for one stream a week, and we'd love to have new streamers even if you've never streamed before. We have a crack twitch team that's ready to help you get set up... orrrrr if you'd like to help mod for other streamers, we'd love that too!

### **Stage Committee Report**

We have a concert on Saturday, May 18th at the NPL Main Branch. We are looking at more concert opportunities so keep your eyes peeled!
